AMPO schools accepts donation from FNBT during basketball game

Amber Pocasset fans fill the stands cheering on the Lady Panthers and First National Bank employees as they present a donation to the schools in honor of the bank's Team Spirit Debit Card Program on Feb. 11.

Assistant Manager Chandra Perry, Manager Beverly White, Senior Vice President Mike Van Sickle and MultiBanker Savannah Young present the \$1,762.72 donation to Superintendent Jerime Parker during the quarter of the girls' basketball game.

"Being back at my old stomping grounds felt good, especially since we surprised the crowd with a school donation," Perry said.

Panther fans earn the annual donation to the school by using the AMPO Panthers debit card from FNBT, which pays a small dividend with every card swipe.

In total, the Team Spirit Debit Card program at FNBT provided more than \$48,000 to benefit 19 area schools this year.
