Breakfast is served for teachers at Alex Schools

Teachers at Alex schools returned back to class last week and were greeted with the smell of home cooked breakfast casseroles, muffins, juice and milk prepared by First National Bank employees. “We were excited not only to see the teachers and staff but to serve the breakfast in Alex’s new school building too,” Teller Cerissa Jones Otey said. FNBT Manager Holly Otey, Teller Cerissa Jones Otey, Multibanker Erin Byrne along with Superintendent Jason James, Principal Doug Tolson and FNBT’s CEO John Gorton toured the new Alex school after having breakfast with the teachers and staff. In addition to the meal, bankers provided notepads, pencils and other school supplies to the teachers to wish them well.
