Alex teachers receive breakfast from FNBT

Alex teachers wrap up the school year by receiving a teacher recognition breakfast prepared and provided by First National Bank employees.

Manager Holly Otey and Lender Janette Rogers made homemade breakfast casseroles, muffins, juice and milk for all the teachers on May 10.

“Our teachers work hard throughout the year,” Otey said. “We wanted to express our gratitude by letting them know they have done a good job spending extra time with our future leaders and ending the school year strong.”

Alex teachers Renee Minton, Jennifer Shi, Lacy Keeton, Pepper Tolson, Robbi Howe, Charissa Bryne along with FNBT Manager Holly Otey (wearing red) and FNBT Lender Janette Rogers (wearing orange) receive additional appreciation goodies: lanyards, sticky notes, keychains, pencils and pens.
