Angel II Angel program receives donation from FNBT

To kick start the Southwest Youth and Family Services' Angel II Angel project in December, First National Bank SVP Brad Duvall and Assistant Manager Chandra Perry donated \$2,000 on behalf of the bank to help provide gifts for the children in need during Christmas. Shanna Rice, from the Angel II Angel project accepted the check. "I'm proud that our bank provides for a cause that helps a child smile during the holidays," Perry said. For more information about the project started by the Southwest Youth and Family Services visit their website at swyouthandfamily.com.
