Reading pays off for Minco students

Minco first grader Lizzie Wilson and kindergartener Blake Meiwes win bikes courtesy of The First National Bank & Trust Co. on May 11. Presenting the bikes to the students are MutliBanker Ashlie Johnson, Assistant Vice President Tonya Holding and Vice President Robyn Vickrey.

Students work hard at meeting their reading goals each semester, and are then entered into a drawing to be awarded a free bike.

“Excellence is a decision, it is a commitment, and it is a habit,” FNBT Vice President Robyn Vickrey said. “It is extremely important to support our students in Minco Public Schools; we want them to strive for excellence!”

FNBT plans to continue celebrating young readers success in future semesters at Minco schools.
