### **And the bicycle winner is..**

The Minco elementary school students celebrated their reading achievements with an assembly on May 5.

First National Bank Manager Robyn Vickrey along with Teller Ashlie Johnson presented two bicycles to third grader AJ Russell and fourth grader Keeley Kirkegard.

FNBT Minco gave two bikes away at the end of the first nine weeks of school, and again at the second nine weeks of school.

"I feel that reading is vital to the children's education; the more books the students reads the more entries they get in the Young Star Reader Bike Giveaway," Vickrey said.

FNBT has partnered with the school for the past three years to encourage the children to read more books.

"This year the school had the slogan, 'Readers are Leaders'," Vickrey said. "I could not agree more with the school's slogan. We want to do our part to make leaders out of our children."
