Blake Elliott named to FNBT Board of Directors

Chickasha businessman **Blake Elliott** was named this month to the Board of Directors at The First National Bank & Trust Co., officials announced on Tuesday at the Annual Shareholders Meeting in Chickasha.

Elliott is the vice president of finance at Standley Systems, a statewide company based in Chickasha. He is responsible for finance, human resources, compliance and all administrative functions of the company. Passionate about the family business, Elliott says his dream was always to work at Standley Systems and “help carry on the family legacy.” Oklahoma’s leading copier and technology firm, Standleys was founded by his great-grandfather, the late Fred Standley.

Elliott was born and raised in Chickasha. He graduated from Chickasha High School and then attended Oklahoma State University, where he received his bachelors of science degree in business management. Elliott was an active member and leader of his fraternity, Alpha Gamma Rho.

After graduation, Elliott returned to Chickasha and joined the family company in operations, where he managed service, warehouse, inventory, installation teams and contracts. He was named Vice President of Finance in 2015.

Elliott and his wife Taylor are serious about giving back to the community. He served on the Chickasha City Council from 2012-2018. He also is a 2013 graduate of Leadership Chickasha. He has twice led Chickasha’s Festival of Light Board, where he current serves as Chair. For his volunteer service, the Chickasha Chamber of Commerce named Elliott the *Chickasha Volunteer of the Year* in 2015. Elliot also has been honored by the *Journal Record* with its 30 Under 30 Award.

Elliott enjoys outdoor activities like snow skiing, hunting with friends and cooking on a smoker. He most enjoys time with family, as the couple welcomed a son, Harrison, into their home in 2017.
