Bulldogs donation grows from FNBT's Team Spirit Program

On behalf of First National Bank and Trust Co., Cyril Manager Brandon Thompson, Assistant Manager Mary Chrismon and Tellers Lorrie Beets and Cindy Mitchell presented a \$954 check to Cement Principal Steve Pelzer during the halftime of the girls' game on Jan 23. "This was an exciting night for the Cement School's community," Chrismon said. "They have done an awesome job this year to help support their school." FNBT's Team Spirit Card program puts about \$47,000 each year into the hands of area schools to enhance educational programs. Every swipe of a Bulldog Team Spirit Debit Card generates a bonus from FNBT to the Bulldogs.
