## CASA receives a boost from First National Bank to provide training

To build a safe, permanent and nurturing environment, First National Bank Manager Beverly White and Vice President Brad Duvall contributed extra support by providing Court Appointed Special Advocates' (CASA) representative Donna Stamper with a \$2,000 donation to assist CASA volunteers with training in May.

Volunteers are trained on the best methods to get to know the child and everyone in that child's life: parents and relatives, foster parents, teachers, medical professionals, attorneys, social workers and others.

"Because of this donation, multiple volunteers will now receive the additional training they need," Stamper said.

They use the information they gather to inform judges and others of what the child requires and what will be the best permanent home for them.

In 2016, CASA volunteers spoke on behalf of 3,596 children within 34 counties in Oklahoma.

To learn more about CASA or information about donating, visit with Donna Stamper by emailing her at [donnas@casav4c.org](mailto:donnas@casav4c.org) or calling 405-224-0404.
