Cement fans learn about FNBT's Team Spirit Debit Card program

At the Cement Bulldog basketball game on Jan. 26, First National Bank bankers all wore their bright gold Cement Bulldog shirts, had a table display about the Bulldog debit card at the entrance of the gate and presented a check to the school during half time of the girls' game.

First National Bank bankers attended the game to show support and to show the Cement Bulldog fans the benefits about FNBT's Team Spirit Debit Card program. Through this program, FNBT has shared more than \$42,000 last year with schools in the area.

"For every swipe of the Bulldog Team Spirit debit card, Cement Schools earns a small donation from First National Bank," FNBT Cyril Manager Sharon Bowman said. "As we get more fans carrying the Bulldogs' card, we can watch that number grow each year."

First National Bank Manager Sharon Bowman, Assistant Manager Mary Chrismon, along with Tellers Jennifer Carlson, Donna Coger and Cindy Mitchell presented a \$165 check to Superintendent David Davidson during halftime of the girl's basketball game.

For the month of February only, FNBT-Cyril is offering a half-price sale for all its customers on the Bulldogs Team Spirit Debit Card. To learn more about the sale, speak to Manager Sharon Bowman at First National Bank in Cyril.
