FNBT bankers donate to Chickasha BlueLine

The Chickasha Police Department receives recognition from First National Bank Vice President Kendra Meador, Assistant Manager Melanie Raasch, Manager Beverly White and Assistant Vice President Darlene Troup in honor of all the hard work and many hours the department puts forth every single day. Lieutenant Traye Alexander and Chief Rowell accepts the \$200 donation and plans to contribute it into the Chickasha BlueLine account, a fund established today to help injured officers and their families. "Our Chickasha officers put their lives at risk for us daily," Troup said. "Why not give them a little boost of appreciation by putting some money in their pockets."
