White and Thomas awarded SmartMoney Scholarship from FNBT

Two Chickasha High School students, Blake White and Matthew Thomas receive a \$500 SmartMoney Scholarship from First National Bank & Trust Co. Managers Sharon Bowman and Beverly White on May 14. FNBT launched the new SmartMoney scholarship program this year to help fund students who plan to attend a trade school or college. "So why not invest in our youth? They are the future leaders in our communities," Bowman said. "If we help to build their dreams, this ultimately impacts all of our futures."
