### **Friends of the Library raise \$9,000 at Chocolate Celebration**

Almost every chocolate lover in the area made an appearance at the 7<sup>th</sup> annual Chickasha Library's Chocolate Celebration on Feb. 12 at the Epworth Church Life Center.

First National Bank employees assisted in raising money for the Chickasha Friends of the Library by not only by being a Gold Corporate sponsor but also participating in the celebration by making chocolate sweets, help setting up the tables and serving.

From chocolate covered strawberries to chocolate covered pretzels and homemade Reece's cups; the most popular sweet that disappeared from FNBT's table first was Mary Glasgow's chocolate centered sugar cookies.

"This was my first year helping with the event and I truly enjoyed not only tasting some of the sweets but I got to visit with multiple customers and community members during the celebration too," Loan Assistant DeDee Resendez said.

At the end of the day, the total raised from the celebration was more than \$9,000. These funds will be used to upgrade the front doors of the library to sliding ones that better accommodate disabled and elderly patrons.

FNBT Digital Marketing Specialist Katey Graham along with Loan Assistant DeDee Resendez, E-Banking Specialist Marcy Langle and Senior Vice President Kendra Meador greet attendees as they select their favorite chocolate treat at the Chocolate Celebration on Feb. 12.
