First National Bank donates to local theatre

Chickasha Community Theatre Assistant Treasurer Kristy Jarnagin receives donation from First National Bank & Trust Co., presented by FNBT Executive Vice President Bill Frick last month. This donation aids CCT's "Save the Historic Washita Theatre" campaign. The CCT holds productions at the Washita Theatre, however the building is in need of major repairs. The DeHart family has promised to match \$50,000 in donations to assist in the repairs of this historic building, and with FNBT's donation they are one step closer to being funded. For more information on the Washita Theatre renovations or donations towards the campaign contact Kristy Jarnagin at 405-574-2256.
