Johnson receives SmartMoney Scholarship from FNBT

“It’s my job to help pay for as much college as I can,” Cyril Senior Sydney Johnson said to First National Bank Manager Jennifer Carlson as she received the \$500 SmartMoney Scholarship.

First National Bank’s new SmartMoney Scholarship program assists students with supplies needed for college or a trade school of the student’s choice.

“Our bank team is beyond proud of Sydney,” Carlson said. “When we awarded her the scholarship, Sydney was surprised, joyful and appreciative that she received this opportunity.”

Johnson plans to attend SWOSU in the fall with the goal of becoming a PA in Dermatology.
