Mustang Chamber hosts disc golf tournament

The competition was on for more than 65 players participating in the Mustang Chamber Disc Golf Doubles tournament on June 2.

First National Bank along with multiple community businesses sponsored the game as well as assisted in providing hamburgers and hotdogs for lunch to all volunteers and players at the Wild Horse Park.

“Disc golf can be a challenging and a competitive sport,” FNBT Senior Vice President David Hurst said. “I have personally played in many games and enjoy the sport. The Disc Golf Doubles would not have been a successful event if it was not for the Chamber President Renee Peerman and her assistant, Karen Stone, spending many weeks planning for it.”

The Mustang Chamber plans to host another tournament in the future.

In this photo, First National Bank Senior Vice President David Hurst and Administrative Assistant for the Mustang Chamber of Commerce Karen Stone cook up multiple hamburgers and hotdogs to serve to hungry disc golf gliders and volunteers during the 3rd annual Disc Golf Doubles on June 2.
