Alex teachers celebrate end of year with treat from FNBT

As the Alex teachers' school year comes to an end, Bankers from First National Bank surprised the teachers and staff with balloons, gifts and donuts on May 10. "We appreciate everything that the teachers do for the school and students, so we wanted to start their day off right with something sweet to eat," Manager Holly Otey said. Before the first bell rang, Otey (far left) and Assistant Manager Paige Dunn (far right) deliver donuts to the teachers on Wednesday morning.
