Bankers BBQ and bid during the Alex FFA Auction

After a good serving of BBQ at the Alex FFA Auction, First National Bank SVP Mike Van Sickle along with Manager Holly Otey, Assistant Manager Paige Ridley and SVP Ed Stanton donated \$500 on behalf of the bank, to bid on a family of four in the auction. "I enjoy visiting with our Alex customers during auctions or banquets," Ridley said. "Attending events like the FFA Auction, I really get a chance to learn about what my customers are passionate about and I enjoy helping them achieve their goals." The bank employees also received a short tour of the school's facilities and how the school plans to do updates in specific buildings in the next year.
