FNBT's booth is on target at the Grady County Fair

Long lines of fair-goers flooded the aisles throughout all the vendor booths at the Grady County Fair, all to play First National Bank's balloon popping dart game.

Fair-goers received three chances to hit a balloon to win a prize.

FNBT volunteers explained not only the dart game and rules but allowed customers the chance to sign up and win a \$25 restaurant gift card in their hourly drawing.

Another feature in FNBT's booth were the unique floor debit card decals where fair-goers could stand to throw the dart during the game. The three new debit cards were colorful designs featuring images voted on exclusively by FNBT's customers.

"I love how the new debit cards represent Oklahoma," Assistant Manager Paige Dunn said.

The new debit cards will be available for customers to purchase at First National Bank on Sept. 10.

First National Bank Executive Assistant to the CEO Rebecca Jones rewards Marcus Pineda of Tuttle a restaurant gift card at the Grady County Fair on Aug. 25.
