FNBT bankers give grace to Grace Home

Grace Home, Inc., of Blanchard receives a \$2,000 donation from First National Bank employees on Aug. 22. Grace Home offers a wide range of opportunities to enable new mothers to make healthy life-giving decisions for them as well as their baby. The donation will support new mothers in their educational opportunities. "We are so blessed by this generosity and getting to work with the Blanchard bank folks on a frequent basis," Executive Director Jeff Cockroft said.
