## **Pirate fans share a victory with community during homecoming**

While cheering at the Cyril homecoming parade with First National Bank hand clappers, FNBT Teller Lorrie Beets enjoys her afternoon with parade goers on Oct. 13. "It is always wonderful to show support for the youth of our community," Beets said. The homecoming day was full of events including the

parade, the homecoming football game and a moment to honor Cyril Police Officer Bryan Janz who was injured earlier this year while on duty. "The most exciting part of the night was watching a helicopter land on the field and deliver the game ball," FNBT Assistant Manager Mary Chrismon said. The special ball was then used by the Cyril Pirates to win their 2017 homecoming game.
