Chickasha Lions Club welcomes FNBT members

Chickasha Lions Club recognized new members from First National Bank & Trust Co.; Vice President Jamie Beard and Vice President Greg Dakil were sworn into the club on Tuesday, September 13.

Beard and Dakil may be new to the Chickasha Lions Club but both have been serving in other communities as members for more than four years.

“I am ready to become an active member of the Chickasha Lions Club and help serve this community,” Beard said.

Beard served on the Rush Springs Lions club since 2007. One of the largest fundraisers the Rush Springs Lions Club took responsibility for was organizing the Watermelon Festival.

“I was responsible for taking care of the Watermelon Queen each year,” Beard said. “Other members including myself promoted and ran the Watermelon Queen pageant. I not only enjoyed participating in the Watermelon Festival but I also liked the opportunity to visit with other members, of the community.”

Like Beard, Dakil has also served on the Anadarko Lions Club back in the late 90’s.

“One of the reasons I became a Chickasha Lions is because I love that one of the emphases they have is on vision and helping people who cannot afford glasses to be given the opportunity to have them,” Dakil said. “It’s rewarding to help people who have such a great need. Sight is important and central to our well being.”

Chickasha Lions Club has 25 active members and is always seeking more members who love to serve the community. To learn more about the Chickasha Lions Club, contact FNBT Benefits Coordinator Ellen Hopgood or new members, Jamie Beard or Greg Dakil.

First National Bank Vice Presidents Greg Dakil and Jamie Beard receive their official garb on Sept. 13 at the Canadian Valley Technology Center. “The members of the Chickasha Lions Club are truly a great and fun group of people dedicated to serving others. ‘We Serve’ is truly their mission statement,” Dakil said.
