## Middleberg schools get a boost from FNBT's Team Spirit Program

Bankers from FNBT-Blanchard attended the Jan. 29 game to present a \$313 check donation and congratulate Tiger fans for earning the school money by using their Tiger Team Spirit Card. Since 2015, the First National Bank's Team Spirit Card program has provided extra activity funds for Middleberg Schools. With every swipe of a Team Spirit Card from FNBT, the school earns a cash donation. FNBT's Senior Vice President Lender Moe Armstrong and Manager Pam Moorehead presented the check to Superintendent Joel Read during half time of the basketball game. This last year, 19 area schools participated in FNBT's Team Spirit Card Program.
