Minco students celebrate kindness

Minco students raised more than \$1,500 in honor of former Middle School teacher Mrs. Sara Wittrock's scholarship fund during the 2nd Annual Dog Days of Kindness Week by selling "kind" T-shirts, donuts and participating in the FCCLA pancake breakfast and pie-in-a-teacher's-face contest.

"When elementary students donate toward the fund, they are invited to run a mile with a high school buddy in the fun run," FNBT Manager Robyn Vickrey said. "The bank employees wanted to help the students out by donating FNBT water for the runners."

After the students ran, Principal Wittrock requested the funds be donated to two families in the Minco area who lost loved ones last week. These include, Logan Dobson a 17-year-old Minco sophomore who was killed in a car accident and Shane Chilton who has a child in Minco Schools.

Minco students Grace Martinez, Kaitlyn Perkins and Kenlee Sims prepare for the fun run by grabbing a bottle of water donated by FNBT.
