### **Price received SmartMoney Scholarship from FNBT**

Minco Senior Lauren Price earned a \$1,000 college scholarship through First National Bank's new SmartMoney Scholarship program this month. FNBT-Minco Manager Robyn Vickrey attended the Minco High School scholarship assembly to present Price with her scholarship. The funds will assist her with books and additional college expenses for the fall semester. "I'm proud our bank truly cares about the well-being and future goals of our customers and supports them in reaching their goals and dreams," Vickrey said.
