Crawford and Watt win bikes for becoming top readers

The Minco boy and girl student bike winners for top readers award goes to Gus Crawford, a fifth grader in Mrs. Ratterman's class, and MaKenzie Watt, a fourth grader in Mrs. Burchfield's class. The winners were drawn by Principal Wittrock and announced by First National Bank Manager Robyn Vickrey and Multibanker Ashlie Johnson during students' morning assembly on May 10. "Both Gus and Makenzie were surprised," Johnson said. "I'm proud our bank donates bikes for the top boy and girl reader. This incentive encourages them to meet their reading goals." FNBT plans to continue celebrating young readers' success in future semesters at Minco schools.
