Bankers share sweets with customers in honor of Mother's Day

First National Bank employees brought special treats to their local business customers in Chickasha in honor of Mother's Day on May 12. Tellers Shauna Bonner and Vanessa Morgan surprise Glenda Hamilton at the Glenhaven Retirement Village with some cookies. "I admire Glenda," Bonner said. "She has a warm heart and always is smiling when we see her at the drive-thru." FNBT employees displayed customer appreciation and brought tears to several customers' eyes. "Several women at small businesses work hard throughout the year," FNBT Manager Carrie Woodard said. "They deserve appreciation on Mother's Day so we surprised them with some sweets."
