City of Newcastle explains growth at Chamber luncheon

Newcastle neighborhoods, roads and businesses are slowly expanding in the community and with this expansion comes new opportunities for customers to grow.

During the Newcastle’s annual State of the City luncheon hosted by First National Bank, Newcastle chamber members spoke about growth in the city on April 23.

FNBT Vice President Mortgage Lender Dana Davis also spoke about the new mortgage options available at First National Bank and how easy it is to use the bank’s new online form to apply for a mortgage loan.

“When a family finds a perfect home, it’s then my goal to make sure the customer is receiving the best rate, have the loan process move quickly and for me to continue to build a relationship with the customer and their family,” Davis said.

The pasta dishes, bread sticks and salad were catered by Luigi’s in Newcastle.

FNBT participants assisting in the luncheon were: Senior Vice President Lender Sherri Garrard, Assistant Manager Brittany Ramanjulu, Senior Vice President of Retail and Deposit Operations Mike Van Sickle, Manager Miranda Taliaferro, Vice President Lender Cory Givens and Vice President Mortgage Lender Dana Davis.
