## **Ninnekah Senior Baylee Pitts receives FNBT's Smart Money Scholarship**

Multiple Ninnekah High School students received scholarships during the 2019 Scholarship banquet on April 22 at the Canadian Valley Technology Center. First National Bank launched its first scholarship program called Smart Money, which will assist students with funds when attending college or a trade school. FNBT Manager Sharon Bowman congratulates Baylee Pitts for applying by handing her a \$500 check to use toward school.
