Ninnekah schools take home more than a slice of cake

The Ninnekah Owls proudly accepted a check for \$2,072 from First National Bank during the FFA cake auction on Feb. 19.

Among the Ninnekah agriculture fans, First National Bank Lender Kim Kohler along with Assistant Manager Melanie Raasch and son Hayden Raasch presented the fans with the FNBT Team Spirit Debit Card program totals to Superintendent Todd Bunch.

This large donation was made possible by Owl fans using their Owl Team Spirit debit cards, which triggers a donation with every card swipe.

First National bank employees also purchased multiple cakes during the auction in supports of the Ninnekah FFA program.

Customers who want to help their school earn donations in this program should switch to a Team Spirit card from FNBT.
