Young summer readers receive pool party

The Mustang Friends of the Library continue to host the annual end of the summer pool party on Aug 8. More than 150 children gathered to celebrate reaching their summer reading goals. The First National Bank & Trust Co. Bank Manager Lanier Lee, Vice President Melissa Bomgaars, Teller Kylie Swidler, Teller Molly Anderson and Multibanker Nathan VanDeMark helped to sponsor the event, serving hotdogs as well as giving away water shooters, beach balls and sun screen sticks. “With summer coming to an end, it was so exciting to see how many kids reached their summer reading goal!” Swidler said. “While it was a blast watching them let loose and enjoy themselves, it also felt good to know they were making goals and reaching them at such early ages.” This is FNBT’s fourth year sponsoring the pool party, and they look forward to continuing the tradition for years to come.
