## Regional Food Bank to continue helping community

First National Bank Manager Sharon Bowman and Assistant Manager Hydie Wilkins presents Dave Wattenbarger from Regional Food Bank with a \$5,000 donation this month. Regional Food Bank is the largest hunger-relief organization in Oklahoma, and offers a multitude of services to various age groups in local communities. This year, FNBT donated to this program, which in the 2016-2017 school year provided 557 chronically hungry children with 42,221 meals. More than 350 of the children assisted attend Chickasha schools. FNBT's donation will help RFB to continue to serve the children in local communities.
