FNBT pins the competition at Santa Bowl

With a strike of luck, FNBT rolls into first place at the Blanchard Chamber Santa Bowl on Dec. 7, followed by Spencer's Grocery in second and Knippelmier Chevrolet in third place. FNBT was presented with a bowling trophy along with a cash prize of \$100. FNBT bankers donated the cash prize to the Blanchard Chamber of Commerce. This donation will go towards the Blanchard Chamber toy drive, which helps purchase toys during the Christmas season for children in need. "We brought toys when we arrived at the Santa Bowl to donate for the toy drive, and when we won we decided the best use for the money was to further assist the Chamber with the drive," Chambers said. Companies around Blanchard bowl to compete for the coveted first place prize. This year's First National Bank bowling team consisted of Assistant Vice President Matt Kennell, Senior Vice President Moe Armstrong, Senior Vice President Brandon Thompson, Digital Marketing Specialist Katey Chambers and Assistant Credit Analyst Tanner Foster.
