## **Sequoyah students learn sound financial practices**

A small group of students from the Sequoyah school visited First National Bank on March 16 and May 19 to learn about creating a budget, maintaining a checking account and practicing responsible credit card usage. Bank Trainer Jo Perryman presented the information to the girls and their sponsor from a Finance for Grads presentation which has also been used at local high schools. Additionally, Minco Teller Haley Williams spoke about the advantages of the oneup account for 18-25 years old customers. (In photo) Perryman explains to the students how important it is to set financial goals for future expenses.
