FNBT sends elementary students to Special Olympics

Six Minco elementary students will take on the Special Olympics Games with a little help from First National Bank. A \$500 donation was given to Minco Elementary School Special Olympics team to participate in the preliminary meet in April and also the Special Olympics State Games in Stillwater in May. The money donated will go towards updating uniforms, equipment, registration fees and lodging expenses.

“The teachers and students were appreciative of the donation, and the kids are excited to get to stay in the hotel,” Bank Manager Robyn Vickrey said. “I strongly support the Special Olympics; it’s a great program for these students to compete in. It gives them the opportunity to challenge themselves, meet new people and to have fun, too.”

First National Bank Manager Robyn Vickrey (second from left) along with Tellers Riley Dacus, Ashlie Johnson and Haley Williams give Minco Special Olympics team a donation to attend the Special Olympics State Games in Stillwater this spring.
