### Tuttle Special Olympic team visits local businesses

Fifteen Tuttle Special Olympic students, who receive support by local Tuttle businesses in the community, visit with many proud sponsors to raise awareness about the team efforts when at the Special Olympics in 2020. “This year, all of our FNBT-Tuttle bank employees purchased Special Olympics t-shirts to help fund and honor the students represented at Special Olympics,” Manager Ashley Lee said. The bankers all wore their t-shirts, served cookies and punch, and visited with the group about their journeys throughout the day on May 14.
