First National Bank supports Mustang Foundation with donation

Bronco fans earned an extra \$502 for the Mustang Foundation this last year. Receiving this donation from First National Bank Multibanker Erin Manual, Assistant Manager Ashley Raney and Senior Vice President David Hurst at the Mustang Foundation building on Feb. 5, was the Foundation's President Steve Wilson and CFO Nancy McKay. The foundation received these funds in honor of the bank's Team Spirit Card Program offered at FNBT. When Bronco fans use their Mustang Bronco's Team Spirit Card by swiping them to make purchases, funds are created for the school. To learn more about the FNBT's program visit with a FNBT banker today.
