### **Alex celebrates teacher appreciation week**

More than 50 Alex teachers receive a surprise breakfast from The First National Bank & Trust Co. employees for Teacher Appreciation Week on May 9.

FNBT Vice President Holly Otey, Assistant Manager Paige Vernon, Senior Vice President Janette Rogers, MultiBanker Erin Byrne, Deposit Banker Hailey Terry and Teller Cerissa Jones cooked and served the teachers breakfast before the school's busy day filled with field trips and track meets. The bankers prepared homemade casseroles, cinnamon rolls, fruit and juice for the teachers.

"It is a great opportunity for us to show teachers how much we appreciate them," Otey said. "This time of year, is so busy for them; it was nice to able to serve them breakfast and help them get a great start on a busy day."
