Bridge Creek teachers welcomed back to new school year

Bridge Creek teachers receive a warm welcome back by First National Bank & Trust Co. as the new school year begins. More than 200 teachers and staff gathered at the newly remodeled Woodland Hills Baptist church in Tuttle. FNBT Manager Stephen Schreiber, Senior Vice President Carmel Penner, Assistant Bank Manager Ashley Lee and Loan Assistant Barbara Berryhill served biscuits and gravy, fresh fruit, yogurt and bagels as well as gave away six gift cards and three door prizes to help the teachers begin the school year strong. "It is important that we give what we can to our teachers," Schreiber said. "Educators are some of the most selfless people I know, and they need to know they are loved and appreciated."
