## AMPO Panthers receive donation

Amber-Pocasset schools receive a donation of more than \$1,000 for their use of their Team Spirit debit cards. First National Bank Assistant Manager Vanessa Morgan presented the check during the half-time break at the Panther basketball game. Receiving the donation was AMPO Superintendent Jeremy Parker and the Panther cheerleaders. This donation was raised by Panther fans using their Team Spirit cards, which triggers a donation with every card swipe. To learn more about the Team Spirit debit card program, call a FNBT banker today at 405-224-2200.
