Bulldogs get Bank boost

Before the Minco Bulldogs ran onto the football field on Nov. 4, the First National Bank & Trust Co. Manager Robyn Vickrey, Assistant Bank Manager Tonya Holding, Senior Vice President Brad Duvall and other FNBT bankers presented a check to the Minco Public School Superintendent Kevin Sims in the amount of \$3,954.

Minco Public Schools earned this money on behalf of those loyal Bulldog fans who have carried and swiped their Bulldog Team Spirit Debit Card. For every swipe of the FNBT team spirit debit card, the bank gives a cash donation to the school.

“We are delighted to be in the top five out of 18 schools,” Vickrey said. “We know these funds are vital to Minco Public Schools, and with the support of our fans, I know the school will receive an even bigger donation next year.”
