Bankers present Chicks with Team Spirit Card donation

Eight FNBT bankers from Chickasha attended the Chickasha Chicks home football game Friday night to present a \$5177 check to Superintendent David Cash just after the first quarter of the game. Chicks fans earn the annual donation to the school by using the Fightin' Chicks debit card from FNBT, which pays a small dividend with every card swipe. "It's so much fun to be a part these community connections," said Bank Manager Beverly White. "We got to high-five a lot of customers in the stands during the game, and I even answered a few banking questions for customers. This program is growing, and we're proud of that." In total, the Team Spirit Card program at FNBT will provide more than \$42,000 to benefit 18 area schools this year.
