Bobcats receive check for Team Spirit Debit Cards

The energetic Bobcat fans “clapped” loudly with FNBT hand clappers in celebration of the First National Bank presenting a \$2,830 to the Bridge Creek Public Schools on Jan. 17.

This check was given to the school in honor of those loyal Bobcat fans who swiped their Team Spirit debit cards for the 2016 year. For every swipe, the school earns a small donation from the First National Bank & Trust Co.

“Each year the Bridge Creek check continues to grow,” Bank Manager Katie Sanders said. “The Team Spirit debit card check increased more than \$350 over the last year. I am hoping in 2017 the Bridge Creek community can continue to swipe their debit cards to help the check grow even more for their school.”
