## **FNBT Drive-thru food drive soars**

This holiday season, families in need in the Chickasha area receive a large Thanksgiving dinner due to the generosity and help from First National Bank & Trust Co. and The Salvation Army. FNBT's Drive-thru "Eagle" combined efforts with Friend School and Spencer's Grocery to raise enough canned food to fill 50 baskets to be donated to the Salvation Army for local families in need. This was the first year that FNBT -Eagle has held a canned food drive, and Manager Vanessa Morgan hopes to continue this for the years to follow. "My goal is to have every school in Grady County participate. We will choose another school in the 2018 year and continue until all schools are involved," Morgan said.
