Children's Center receives donation for therapy pool

Bethany and Blanchard Public Schools team up to raise funds for the new therapy pool at The Children's Center in Bethany during the ninth annual Children's Center Bowl. First National Bank Assistant Manager Kayla Southard, Lender Kailey Smith, Manager Pam Moorehead and Senior Vice President Moe Armstrong contributed \$500 towards the cause on Sept. 20. Accepting the donation on behalf of the Blanchard Public Schools is Lion Football Head Coach Jeff Craig. The Children's Center is a rehabilitation facility and a private non-profit hospital offering 24-hour medical care, comprehensive rehabilitative therapies, respiratory care and special education.
