Bankers show Tuttle Tiger team spirit during parade

A multitude of kids lined up on the streets of Tuttle with their bags ready to receive candy and other goodies during the Tuttle homecoming parade last Friday. First National Bank Assistant Manager Ashley Lee along with Loan Assistant Barbara Berryhill, Mortgage Loan Assistant Monique Behrens and Teller Tisha Smith shared in the Tiger team spirit by tossing out footballs, candy and noise makers to cheer the Tigers to victory in the football game. In the parade, Digital Marketing Specialist Katey Chambers (not pictured) held the FNBT Tuttle Tiger team spirit debit card poster and waved the large FNBT flag. “With my husband being from Tuttle, I have a huge heart for the school,” Chambers said. “I am proud First National Bank shows school support and participates in events like the homecoming parade.”
