### **FNBT donates \$40,000 to USAO for sports, arts, scholarships**

Bank officials were welcomed on the basketball court Saturday afternoon to present three unique gifts totaling \$40,000 for three distinct reasons.

FNBT Chairman Pat Brooks was joined by CEO & President John Gorton and Executive Vice President Laurie Elzo to present a check to USAO President John Feaver, veteran retired baseball Coach L.J. Powell and Assistant Baseball Coach Tyle Hankins.

The first gift was \$874, which is the bank's donation through its unique Team Spirit Card Program. USAO is one of 19 schools in the area that share in this program. FNBT has donated more than \$48,000 this year alone through this program to area schools.

The second gift is for \$4,126, which represents the bank's annual support the Davis Waldorf Performing Arts Series, as well as a donation to the USAO Scholarship Fund, Books for Tots and a Student Leadership Conference.

The third gift of \$35,000 will help to build the new Drover Baseball Practice Facility, which will provide a weatherproof space for batting practice, as well as locker rooms and other amenities

From left are Gorton, Feaver, Hankins, Powell, Brooks and Elzo.
