Local YMCA receives donation for scholarship drive

Chickasha Area YMCA received a \$10,000 donation from First National Bank Vice President Brad Duvall and Vice President Beverly White.

The donation goes towards the Chickasha YMCA's annual scholarship drive, which funds scholarships for qualifying individuals and families to participate in YMCA programs.

The YMCA is focusing on the after school program, summer camp and sport activities such as soccer and swimming for 2018.

Children ages 0-19 currently account for 41% of total YMCA memberships.

"I believe it is important FNBT supports the YMCA youth program to give local families access to affordable childcare and sports activities while encouraging the principles of healthy living, teamwork and sportsmanship," FNBT CRA Officer Hether Guinn said.

First National Bank Vice President Brad Duvall and Vice President Beverly White present a donation of \$10,000 to the Chickasha Area YMCA. Accepting the donation is YMCA member Corbin Lee, Executive Director Lewis Knisley and board members Chris Mosely and Hal Brock.
