## YMCA's annual fundraising drive collects \$10,000 from FNBT

First National Bank Executive Vice President Bill Frick along with Senior Vice President Ed Stanton and Managers Sharon Bowman and Beverly White supported the YMCA's annual fundraising drive by donating \$10,000 on behalf of FNBT.

Executive Director Lewis Knisley of the Chickasha YMCA, Mary Kate Henson, Mike Mosley and Zack McGill joined in accepting the donation on Jan. 17.

"I'm proud to work for a bank who understands the impact the Chickasha Area YMCA has on the community," Bowman said.

The large donation will be directed toward the YMCA's youth programs, which accounts for 40% of its membership.
