Friend Schools receives friendly donation from FNBT

Falcon fans get rewards for swiping their Falcon Team Spirit Cards from First National Bank Manager Beverly White and Assistant Manager Chandra Perry before the boys' basketball game on Jan. 17. Superintendent Cindy Schmidt along with the Falcon cheerleaders accepted the \$802 donation on behalf of Friend Schools. "I have always supported Friend Schools, being a former Falcon myself," Perry said. "Now my daughter Ava is a Falcon, and together we will continue to support the bank's program and the school by using the Falcon Team Spirit Card." Through this program, FNBT has donated more than \$48,000 to 19 area schools in the last year.
